**It's easy... and fun, too!**

Get your friends, neighbors and relatives to sponsor you with a donation to MDA. The money you raise will help provide medical care at the Emory Clinic and Children's Healthcare of Atlanta at Scottish Rite, send a local child to MDA's week-long summer camp, and fund world-wide research programs.

**\*\*Participants who raise at least \$25 will receive a special CMTKD t-shirt.\*\***

MDA is a voluntary health agency working to defeat more than 40 neuromuscular diseases through programs of worldwide research, comprehensive services, and far-reaching professional and public health education.
